

Dick Knilans: Tape 3, side 6: DK, JJ

The next part is a conversation that I not only don't understand, I don't know who is participating! I know that someone is ranting! Lots of cussing and racist remarks and ranting about the Democrats. Jane Byrne. It seems to be a Mr. Levinson (?). He's obscene!

It's the same guy as end of Side 5 and I cannot listen to him (unless you need him for the book).
